This year "Epic Israel" in memory of Giora Tsachor will be called Playtika Epic Israel powered by TREK. We concern ourselves in delivering the ultimate MTB experience by always moving forward and breaking new ground. Such progress and care is made possible thanks to great cooperation with two great companies: Playtika - our leading sponsor for 2016. With over 1300 employees, 12 global offices, 20m monthly players, and 6 top grossing games, Playtika leads its category in free to play games. Headquartered in Tel Aviv, Playtika masters both the art and the science of creating premium games for a global community of gamers.

TREK - Our secondary title sponsor. CTC - TREK bicycles importer in Israel, has taken PLAYTIKA EPIC Israel Powered by trek under its wing since its inception and has thus become an important partner in helping to create the greatest and most exciting biking event and experience in Israel!
